

## **MFP Installation Process**

Installation services are only included in the X85xe and X94xe PagePlus Programs.

Resellers and ASPs are asked to purchase the Install/Training package to be able to process a labour claim or to request an installation with Lexmark for any installations outside of the X85xe/X945e PagePlus Program. The part number for the package is 53A9040 you can download the purchase form via this link:
